***PEOPLE BEFORE POLITICS***  
***Thurs 4th July 2013***

Geoff has not set out a long manifesto, as he wants to hear about the issues that matter most to you.

However, here are a few thoughts on what Shanklin town council should be doing on behalf of the residents. Making Shanklin a place we can be proud of — investing in floral displays and public facilities.

- Taking a stand against inappropriate planning applications and fighting to conserve our local heritage and character.
- Keeping the parish precept as low as possible and spending it as wisely as possible in the interests of the whole town.
- Ensuring that Shanklin has a strong voice on the town council.

**TOWN COUNCIL**  
***ELECTION***  
***Thurs 4th July 2013***

My name is Geoff Clynch and I will be standing as an independent candidate at the forthcoming town council elections on the 4th of July. I am 56 years old and have two grown up sons, who have recently made me a grandfather four times over.

My family and I moved to the island in 1995 after being here for a holiday a month earlier, having made up our minds that this was a beautiful place for my family to grow up in.

In Merseyside I worked for various firms but mainly in the timber industry, and owned a small timber and D.I.Y shop, but it wasn't until I moved to the island that I became involved with politics. I stood in Shanklin South elections in May this year and lost by three votes .

I am the carer of my disabled old age mother, so have my own issues at the way this council treats its pensioners. My family and I have found the place we love living in and I want to help to keep Shanklin the wonderful place it is. With your help, we can achieve this.

## **Geoff's priorities for Shanklin**

- Do you want a Councillor who will work to make sure your views are heard and will keep in touch with the residents every six months not every four years ?
- Do you want somebody to fight for local services to make sure Shanklin stays a vibrant place to live?
- Do you want to be asked before the Isle of Wight Council starts projects that will affect, not only you, but also generations to come?
- Geoff will oppose any increase in the Towns precept .
- Geoff will work with the local police regarding anti-social behaviour.
- Geoff will fight to keep our youth centre open.
- Geoff will work closely with newly elected Isle of Wight Councillor to ensure that your views and interests are fully represented.

Geoff will undertake a full road survey of the ward and report all potholes to Island Roads.

Geoff would like to thank the residents of Shanklin South for the support you have given him in the past .

Dear Resident,

I have once again decided to put my self forward for election as a Town Councillor. In May this year i only missed a place by three votes which is the closest I have come in any election. This time i would like to win. When elected i will attend every Town meeting, not just when i feel like it, as do other councillors.

I believe i will give you a strong voice on the council and look forward to a positive future for myself and the town. If you have any issues or concerns about Shanklin or the Island please contact me on
